

# UTILITY & IMPACT

## Sri Sathya Sai Mobile Hospital Service

(A unit of Sri Sathya Sai Central Trust)

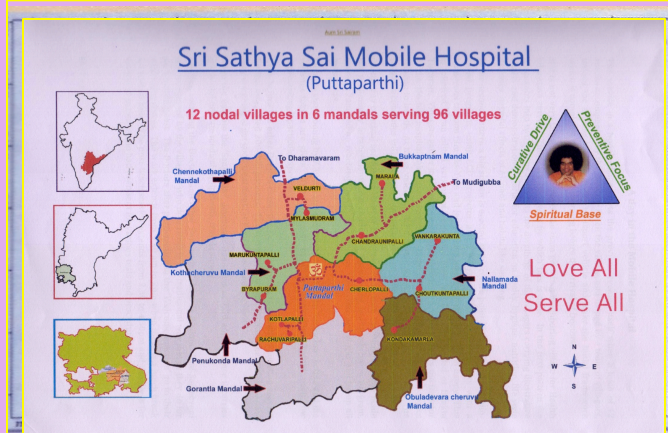

# A Unique Free Rural – outreach service started by Bhagawan Sri Sathya Sai Baba

From MARCH 2006  
MONTH AFTER MONTH .....

6000-6500 patients coming from 300 - 400 villages (12 Mandals) treated with love and care, every month

45 Doctors spread out in three batches render voluntary service every month. They represent the Specialty of Radiology, Medicine, Surgery, Orthopedics, ENT, Ophthalmology, Dentistry, Obst. & Genecology and Pediatrics and at times Cardiology, Neurology, Dermatology etc. 300 doctors of Andra Pradesh and Telengana state have enlisted for this voluntary service

**Old patient taken lovingly to the Doctor**

**Patient brought from a house to the Doctor**

**Disciplined big queue of patients**

**Registration**

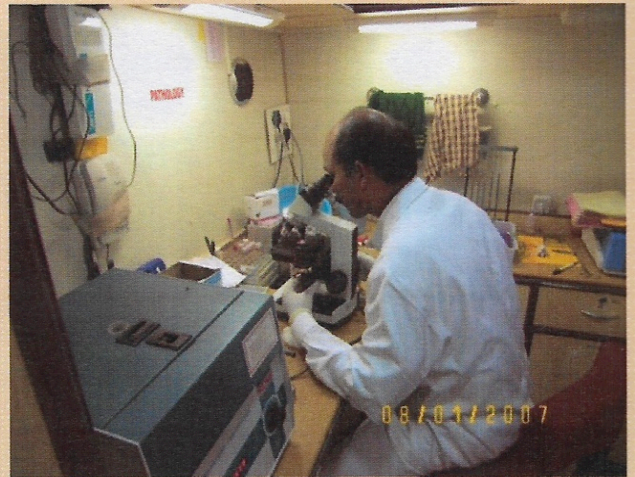

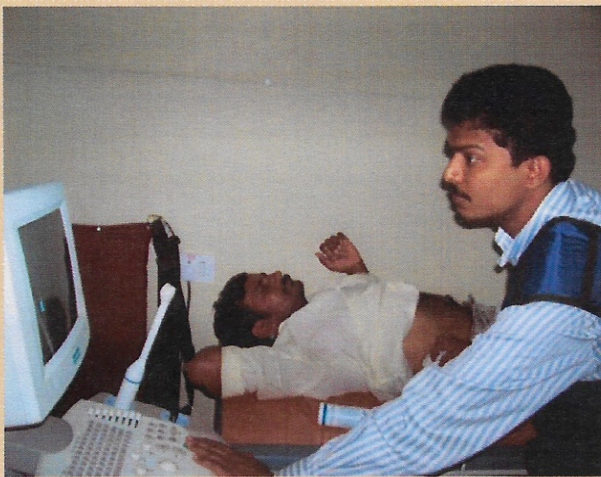

# Loving Medical CARE

200 Scans, 30 2D Echos, 150 X-rays, 100 ECGs, 1500 blood tests done to diagnose intricate ailments, monitor chronic diseases and uncover asymptomatic ailments.

1500 Patients with chronic ailments like Epilepsy, Diabetes, Hypertension, Heart disease, Thyroid problems etc are treated, monitored, counselled & provided with medicines till next visit.

Around 20 biopsies, 15 FNACs, done even in rural setting with adequate safeguards.

Around 500 patients undergo ENT check-up and treatment. Audiogram done for hearing impaired individuals. Hearing aids given once a year.

General, Gynec, ENT & Ortho Surgeries for identified and screened patients done in SSS General Hospital, Puttaparthi

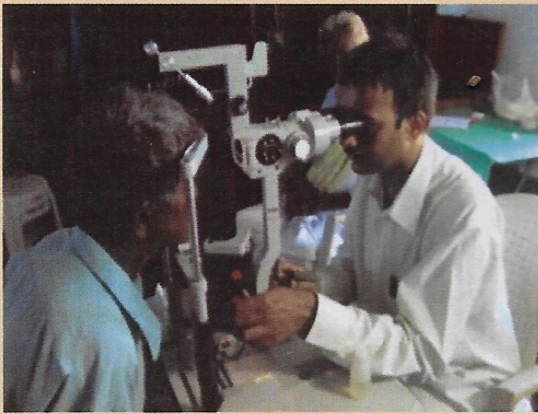

# 400 patients undergo dental treatment every month

About 30 extractions, 30 fillings, 40 scaling 40 partial dentures, 2-5 full set dentures are done.

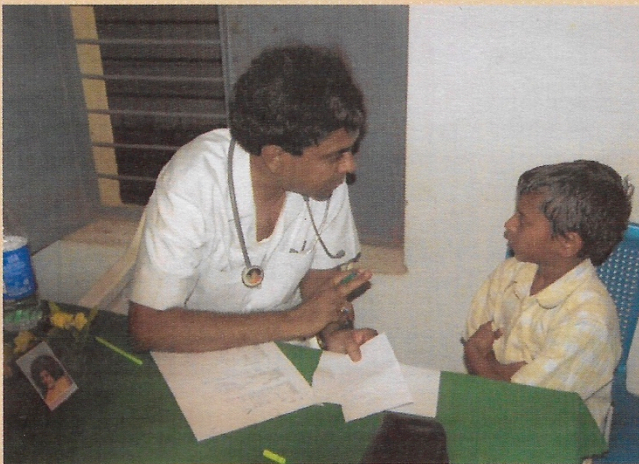

500 patients get Ophthalmic care. Around 150 individuals are provided with Spectacles. 60 individuals undergo detailed evaluation for Cataract Surgery. These surgeries are done at Sri Sathya Sai Super Specialty Hospital

500 Women with Gynecological problems treated every month. 100 - 150 women screened to exclude pre-cancerous uterine lesions. 120 Pregnant ladies given complete Antenatal care.

# 600 School children with various problems treated by Dept. of Pediatrics.

The rich clinical material plus availability of specialist doctors encourages academics, attracts medical students from India and abroad

Around 300 villagers are educated everyday on Health, Hygiene, Nutrition, life style diseases and harmful effects of smoking, alcohol etc.

Education is done at Individual level, family Group level and Community levels.

# Impact of SSS Mobile Hospital Service

## On villagers

- Sense of security and confidence
- Awareness about important aspects of Health & Hygiene and Nutrition etc.
- Awareness that health and value system are interrelated

## On Doctors & Paramedics

- Exposure to Bhagwan's unique door-step holistic health care
- Reminder on importance of Preventive Health Care.
- Motivation to take up free service at their ends.

## On Society and Policy makers

- India being land of villages, high quality Rural Health Care is the need of the hour.
- Medicare has to be integrated with holistic

*"Dava and Duva"  
Medicare & God's blessings in Sri Sathya Sai Mobile Hospital*
